Motor Vehicle Carrier) FOR COMPLIANCE

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Shamrock Moving and Storage, Inc. (Shamrock Moving, the Applicant, or the Company), whereby the Applicant seeks approval of an amendment to the Company's authority granted by Commission Order No. 2007-836, dated November 20, 2007, and an extension of time to comply with the Commission's directives in that Order, which gave the Applicant sixty days to comply with certain Rules and Regulations of the Commission.

By Order No. 2007-836, the Commission approved the application of Shamrock Moving for a Class E Certificate of Public Convenience and Necessity to operate as a household goods mover in South Carolina. This approval was granted in the name of Shamrock Moving and Storage, Inc., as this was the name provided by the Applicant in the application. However, Shamrock Moving now advises that the name of the Company was incorrectly listed on the application and should have been shown as Shamrock

Moving and Storage, Inc. d/b/a Shamrock Moving. Shamrock Moving requests that the Commission amend the authority granted by Order No. 2007-836 to reflect the Company's proper legal name of Shamrock Moving and Storage, Inc. d/b/a Shamrock Moving.

Shamrock Moving also requests an extension of sixty (60) days in order to come into compliance with the Rules and Regulations of the Commission as set forth in Order No. 2007-836. Shamrock Moving's authority to operate under a Class E Certificate of Public Convenience and Necessity was granted conditionally with the requirements that the Company file with the Office of Regulatory Staff (ORS) the proper insurance, safety rating, and other information required by law within sixty (60) days of the date of Order No. 2007-836, or within such additional time as may be authorized by the Commission.

Based upon a consideration of the present requests and all matters relative thereto, the Commission is of the opinion, and so finds, that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought by Shamrock Moving and Storage, Inc. in the request for modification of the authority granted in Commission Order No. 2007-836 by changing the name to Shamrock Moving and Storage, Inc. d/b/a Shamrock Moving be, and hereby is, approved.

2. That said approval is for a change in the name of the holder of the authority authorized by Order No. 2007-836 but does not otherwise authorize any change in the operation of the regulated services.

3. A Class E Certificate of Public Convenience and Necessity shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

4. That prior to compliance with statutory and regulatory requirements and the receipt of such Certificate, the modified motor carrier services authorized by this Order may not be provided under the amendment approved herein.

5. That the request by Shamrock Moving and Storage, Inc. for an extension of time in which to comply with the directives in Order 2007-836 is approved, and Shamrock Moving and Storage, Inc. is hereby granted an extension of **sixty (60) days** or until **April 21, 2008**, to come into compliance with the Commission's directives in Order No. 2007-836, dated November 20, 2007.

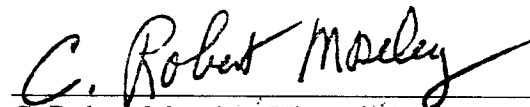

6. That this Order shall remain in full force and effect until further Order of the Commission.
